| Dean of the Faculty of Biology | | Faculty of Biology |
| ECTS | Method of grading | Only after succ. compl. of module(s) |
| 20 | numerical grade | -- |
| Duration | Module level | Other prerequisites |
| 1 semester | graduate | -- |
| Contents | | |
| <p>During their internship, students will gain knowledge on subjects and strengthen their research skills, such as:</p> <ul style="list-style-type: none"> • In-depth knowledge on a particular sustainability challenge Literature review • Data collection Analysis of data • Reporting on research results • Presentation/communication skills | | |
| Intended learning outcomes | | |
| <p>The objectives of the internship should be based on the application of students' sustainability-based expertise to a challenge relevant for the (internship) organisation.</p> <p>In the 20 EC internship, the focus lies on gaining professional, research-based experience by:</p> <ul style="list-style-type: none"> • analyzing the sustainability aspects of a real challenge in an institution or company • applying research methods to provide a response to the formulated research question • documenting the results in a concise report and transferring the knowledge to the host institution. <p>As part of the internship, the student will produce an individual research report that will be assessed. The feasibility of achieving the aims written above is based on the length of the internship. Each internship agreement will involve interaction between the hosting institution and the academic supervisor to define an internship topic that aligns with academic expectations while addressing a need of the hosting institution.</p> | | |
| Courses (type, number of weekly contact hours, language — if other than German) | | |
| <p>P (15)</p> <p>Module taught in: English</p> | | |
| Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus) | | |
| <p>Portfolio (10 to 15 written or oral assessments, each 5 to 10 pages or 10 to 15 minutes)</p> <p>Oral examinations can also be held as group examinations. The examination time will be determined according to the number of participants, with the specified time frame of 10 to 15 minutes being applied per candidate.</p> <p>Language of assessment: English</p> | | |
