**Method of grading**
Only after succ. compl. of module(s)

**Duration**
--

**Module level**
undergraduate

**Other prerequisites**
--

**Contents**
Students pursuing a teaching degree Mittelschule who have selected biology as their Didaktikfach (subject studied with a focus on teaching methodology) may write their Hausarbeit (thesis) for example in biology didactics. Within a given time frame, students will independently research and write on a research topic applying the necessary methods.

**Intended learning outcomes**
Students will be able to address a defined problem, applying scientific approaches and methods. They will use didactic methods appropriate to the respective topic. They will present their findings in a written thesis. Working on this thesis, students will enhance their scientific writing skills (structuring papers, citing sources etc.).

**Courses**
(type, number of weekly contact hours, language — if other than German)
No courses assigned to module

**Method of assessment**
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)
written thesis (30 to 50 pages)

**Allocation of places**
--

**Additional information**
--

**Referred to in LPO I**
(examination regulations for teaching-degree programmes)
