Module title
Cell- and Developmental Biology Master 1 (Lecture and Seminar 1)

Abbreviation
07-MS2ZE1-102-m01

Module coordinator
holder of the Chair of Cell Biology and Developmental Biology

Module offered by
Faculty of Biology

ECTS
10

Method of grading
numerical grade

Only after succ. compl. of module(s)
--

Duration
1 semester

Module level
graduate

Other prerequisites
--

Contents
The module consists of the lecture Zellpathologie (Cytopathology) and the seminar Zellbiologie-Milesteine und Perspektiven (Milestones and Perspectives of Cell Biology). The lecture describes pathological states of the cell and unravels their biological causes and consequences, such as infection, apoptosis, senescence, metabolic disorders and cancer. In the seminar Milestones and Perspectives of Cell Biology, classic ground-breaking publications in the field of cell biology are discussed from an unusual point of view.

Intended learning outcomes
Participants possess scientific background knowledge on cytopathology and are able to put this into the broader context of cell biology research.

Courses
(type, number of weekly contact hours, language — if other than German)
S + V (no information on SWS (weekly contact hours) and course language available)

Method of assessment
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

Students will be informed about the method, length and scope of the assessment prior to the course. Usually, one of the following options will be chosen: a) written examination (30 to 60 minutes, including multiple choice questions) or b) oral examination of one candidate each (30 to 60 minutes) or c) oral examination in groups of up to 3 candidates (approx. 30 to 60 minutes)

Allocation of places
