**Module title**  
Molecular Materials for Students of Nanostructure Technology

**Abbreviation**  
o8-CTO-122-m01

**Module coordinator**  
Dean of Studies Funktionswerkstoffe (Functional Materials)

**Module offered by**  
Chair of Chemical Technology of Material Synthesis

**ECTS**  
5

**Method of grading**  
Only after succ. compl. of module(s)

**Numerical grade**  
--

**Duration**  
1 semester

**Module level**  
undergraduate

**Other prerequisites**  
Admission prerequisite to assessment: successful completion of exercises in the respective classes as specified at the beginning of the course (usually 70% of exercises to be successfully completed) as well as regular attendance of exercises (usually a maximum of 2 incidents of unexcused absence).

**Contents**

The module imparts the theoretical and practical fundamentals of molecular and soft materials.

**Intended learning outcomes**

Students have developed a knowledge of the principles of molecular and soft materials and are able to apply that knowledge to research problems.

**Courses**  
V + Ü (no information on SWS (weekly contact hours) and course language available)

**Method of assessment**  
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

presentation (approx. 30 minutes) and a) 1 to 3 written examinations (1 written examination: approx. 90 minutes; 2 written examinations: approx. 60 or 90 minutes each; 3 written examinations: approx. 60 minutes each) or b) oral examination of one candidate each (approx. 20 minutes) or c) oral examination in groups (groups of 2, approx. 30 minutes). Should a module component comprise more than one graded assessment, all assessments will be equally weighted, unless otherwise specified; should the lecturer want to make changes to the way in which assessments are weighted, he or she must do so by two weeks after the start of the course at the latest and must communicate this to students in an appropriate manner.

Language of assessment: German or English

**Allocation of places**
