|  | graduate                     | --  |
| <b>Contents</b>  |                              |   |
| Students complete a placement at a non-university research/diagnostic institution or a business. Contents to be determined by the host institution. The contents of the placement should correspond to the contents of a lab course offered in the context of the Master's programme in Biochemistry (180 ECTS credits); please consult with the competent coordinator in advance. |                              |   |
| <b>Intended learning outcomes</b>  |                              |   |
| Students have become familiar with the structures of non-university research institutions and have developed skills which qualify them to work in their profession.  |                              |   |
| <b>Courses</b> (type, number of weekly contact hours, language – if other than German)   |                              |   |
| No courses assigned to module  |                              |   |
| <b>Method of assessment</b> (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)   |                              |   |
| a) log (approx. 20 pages) or b) oral examination of one candidate each (approx. 20 minutes) or c) oral examination in groups (groups of 2: approx. 30 minutes, groups of 3: approx. 40 minutes) or d) presentation/talk (approx. 15 to 30 minutes)<br>Language of assessment: German or English  |                              |   |
