

<b>Module title</b>		<b>Abbreviation</b>
Conference participation with poster presentation 1		o8-MBC-FTKP1-152-mo1
<b>Module coordinator</b>		<b>Module offered by</b>
chairperson of examination committee Biochemie (Biochemistry)		Chair of Biochemistry
<b>ECTS</b>	<b>Method of grading</b>	<b>Only after succ. compl. of module(s)</b>
5	(not) successfully completed	--
<b>Duration</b>	<b>Module level</b>	<b>Other prerequisites</b>
1 semester	graduate	Please consult with degree programme coordinator in advance.
<b>Contents</b>		
The module allows participation in a national or international congress with a thematic scope and relation to the selected major field of study, combined with the presentation of own scientific data in a poster session. Recognition as academic achievement is conducted in an individual assessment by the examination board.		
<b>Intended learning outcomes</b>		
The student gains a widened overview of the latest findings and developments in the field. He/She has the possibility to meet other scientists in his/her specialism. He/She trains his/her skills, to critically scrutinise the own work, to present it to a professional audience and to defend it against criticism.
