Contents

This module gives students the opportunity to attend a seminar exploring a topic that is relevant to the field they have selected as their focus. The module enhances and consolidates the students' knowledge of the field and topic covered. The seminar may be offered by the University of Würzburg or by external institutions. Decision on credit transfer to be made by examination committee.

Intended learning outcomes

Students gain a wider overview of recent findings and developments in the field they have selected as their focus. They have acquired additional expertise that will help them specialise in their field.
