

Module title		Abbreviation
Literature seminar 1		o8-MBC-LIT1-152-mo1
Module coordinator		Module offered by
chairperson of examination committee Biochemie (Biochemistry)		Chair of Biochemistry
ECTS	Method of grading	Only after succ. compl. of module(s)
5	numerical grade	--
Duration	Module level	Other prerequisites
1 semester	graduate	--
Contents		
Students read assigned biochemistry-related publications on a particular topic in the life sciences and deliver presentations on those publications to their classmates. Those presentations will be followed by critical discussions of the relevant topics. Please contact the module coordinator in advance to find out if you can use this module in the Master's programme in Biochemistry.		
Intended learning outcomes		
Students have enhanced their ability to read and critically engage with current biochemistry-related literature in the field of the life sciences. They have enhanced their skills in the presentation and discussion of scientific information.		
Courses (type, number of weekly contact hours, language — if other than German)		
S (2) Module taught in: German or English		
Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)		
presentation (20 to 40 minutes) Language of assessment: German and/or English		
Allocation of places
