

<b>Module title</b>		<b>Abbreviation</b>
Literature seminar 1		o8-MBC-LIT1-152-mo1
<b>Module coordinator</b>		<b>Module offered by</b>
chairperson of examination committee Biochemie (Biochemistry)		Chair of Biochemistry
<b>ECTS</b>	<b>Method of grading</b>	<b>Only after succ. compl. of module(s)</b>
5	numerical grade	--
<b>Duration</b>	<b>Module level</b>	<b>Other prerequisites</b>
1 semester	graduate	--
<b>Contents</b>		
Participants of the module read predetermined papers from a specific subject area of life sciences related to biochemistry. In a rotation mode each participant presents these publications in plenary sessions, followed by a critical discussion of the content presented. The suitability (regarding subject and level) of a given literature seminar has to be clarified with the module coordinator in advance.		
<b>Intended learning outcomes</b>		
The students train their abilities in reading and critical questioning current literature of the life sciences with relation to the biochemistry. They improve their skills in presenting and arguing of scientific contents.		
<b>Courses</b> (type, number of weekly contact hours, language – if other than German)		
S (2) Module taught in: German or English		
<b>Method of assessment</b> (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
presentation (20 to 40 minutes) Language of assessment: German and/or English		
<b>Allocation of places</b>		
--		
<b>Additional information</b>		
--		
<b>Referred to in LPO I</b> (examination regulations for teaching-degree programmes)
