### Module title
Research oriented organic chemistry

### Abbreviation
08-OCFM1-132-m01

### Module coordinator
focus point coordinator "Organic Chemistry"

### Module offered by
Institute of Organic Chemistry

### ECTS
12

### Method of grading
numerical grade

### Only after succ. compl. of module(s)
--

### Duration
1 semester

### Module level
graduate

### Other prerequisites
--

### Contents
Three selected research-based courses exploring advanced topics in organic chemistry.

### Intended learning outcomes
Students are able to explain and analyse selected research-oriented topics in organic chemistry. They are able to situate the topics covered in different courses within a broader context.

### Courses
S + S + S (no information on SWS (weekly contact hours) and course language available)

### Method of assessment
oral examination of one candidate each (approx. 45 minutes)

Language of assessment: German, English

### Allocation of places
--

### Additional information
Additional information on module duration: 1 to 2 semesters.

### Referred to in LPO I (examination regulations for teaching-degree programmes)
--

### Module appears in
Master's degree (1 major) FOKUS Chemistry (2013)
