Module description

	Module title			Abbreviation
Organic (Chemistry for engineering stu	dents (practical cour	rse)	08-OCP1-FU-152-m01
Module coordinator			Module offered by	
holder of the Chair of Organic Chemist		ry II	Institute of Organic Chemistry	
ECTS Method of grading		Only after succ. compl. of module(s)		
2 ((not) successfully completed	08-0C1		
Duration Module level		Other prerequisites		
1 semester undergraduate				
Contents	5			
operation Intended	ns of organic chemistry, simpl	e to multi-level synth	eses and the analys	nces, simple experimental unit sis of the products.
rations o	of organic chemistry. They are a	able to analyse the yi	eld and purity of the	e products and identify possible
in the lab	poratory.			ecture with practical experiments
in the lab				
Courses (P (4) Method ((type, number of weekly contact hours, loof assessment (type, scope, langua	language — if other than Ge	rman)	
Courses (P (4) Method (module is converted to pages ear Language	(type, number of weekly contact hours, loof assessment (type, scope, langua reditable for bonus)	language — if other than Ge lige — if other than German, experiment examinat cal performance (2 to /or English	rman) examination offered — if n cion talks approx. 15	ot every semester, information on whether minutes each, log approx. 5 to 10
Courses (P (4)) Method (module is convolved to the pages ea Language Assessm	oratory. (type, number of weekly contact hours, loof assessment (type, scope, languareditable for bonus) te/Nachtestate (pre and post-cach) and assessment of practice of assessment: German and	language — if other than Ge lige — if other than German, experiment examinat cal performance (2 to /or English	rman) examination offered — if n cion talks approx. 15	ot every semester, information on whether minutes each, log approx. 5 to 10
P (4) Method of module is convolved to the Language Assessm Allocatio	oratory. (type, number of weekly contact hours, loof assessment (type, scope, languareditable for bonus) te/Nachtestate (pre and posterch) and assessment of practice of assessment: German and pent offered: Once a year, winter on of places	language — if other than Ge lige — if other than German, experiment examinat cal performance (2 to /or English	rman) examination offered — if n cion talks approx. 15	ot every semester, information on whether minutes each, log approx. 5 to 10
P (4) Method of module is convolved to the Language Assessm Allocatio	oratory. (type, number of weekly contact hours, loof assessment (type, scope, languareditable for bonus) te/Nachtestate (pre and posterch) and assessment of practice of assessment: German and gent offered: Once a year, winter	language — if other than Ge lige — if other than German, experiment examinat cal performance (2 to /or English	rman) examination offered — if n cion talks approx. 15	ot every semester, information on whether minutes each, log approx. 5 to 10
in the lab Courses (P (4) Method (module is co Vortestat pages ea Language Assessm Allocatio Additional	oratory. (type, number of weekly contact hours, loof assessment (type, scope, languareditable for bonus) te/Nachtestate (pre and posterch) and assessment of practice of assessment: German and lent offered: Once a year, winter on of places al information	language — if other than Ge lige — if other than German, experiment examinat cal performance (2 to /or English	rman) examination offered — if n cion talks approx. 15	ot every semester, information on whether minutes each, log approx. 5 to 10
P (4) Method of module is convolved to the Language Assessm Allocatio	oratory. (type, number of weekly contact hours, loof assessment (type, scope, languareditable for bonus) te/Nachtestate (pre and posterch) and assessment of practice of assessment: German and lent offered: Once a year, winter on of places al information	language — if other than Ge lige — if other than German, experiment examinat cal performance (2 to /or English	rman) examination offered — if n cion talks approx. 15	ot every semester, information on whether minutes each, log approx. 5 to 10
in the lab Courses (P (4) Method (module is co Vortestat pages ea Language Assessm Allocatio Additional Workload 60 h	of assessment (type, scope, languareditable for bonus) te/Nachtestate (pre and posteach) and assessment of practice of assessment: German and lent offered: Once a year, winter on of places al information	language — if other than Ge lige — if other than German, experiment examinat cal performance (2 to /or English	rman) examination offered — if n cion talks approx. 15	ot every semester, information on whether minutes each, log approx. 5 to 10
in the lab Courses (P (4) Method (module is co Vortestat pages ea Language Assessm Allocatio Additional Workload	of assessment (type, scope, languareditable for bonus) te/Nachtestate (pre and posteach) and assessment of practice of assessment: German and lent offered: Once a year, winter on of places al information	language — if other than Ge lige — if other than German, experiment examinat cal performance (2 to /or English	rman) examination offered — if n cion talks approx. 15	ot every semester, information on whether minutes each, log approx. 5 to 10
in the lab Courses (P (4) Method (module is co Vortestat pages ea Language Assessm Allocatio Additiona Workload 60 h Teaching	of assessment (type, scope, languareditable for bonus) te/Nachtestate (pre and posteach) and assessment of practice of assessment: German and lent offered: Once a year, winter on of places al information	language — if other than German, lige — if other than German, experiment examinat cal performance (2 to /or English er semester	examination offered — if n cion talks approx. 15 4 random examinat	ot every semester, information on whether minutes each, log approx. 5 to 10
