--

## Contents

### Contents

Selected topics in computer science.

## Intended learning outcomes

### Intended learning outcomes

The students are able to understand the solutions to complex problems in computer science and to transfer them to related questions.

## Courses

### Courses

(V (2) + Ü (2))

## Method of assessment

### Method of assessment

Written examination (approx. 60 to 120 minutes).

If announced by the lecturer at the beginning of the course, the written examination may be replaced by an oral examination of one candidate each (approx. 20 minutes) or an oral examination in groups of 2 candidates (approx. 15 minutes per candidate).

Language of assessment: German and/or English
