### Contents
Completion of a project task (in Teams).

### Intended learning outcomes
The project allows participants to work on a problem in computer science in teams.

### Courses
(type, number of weekly contact hours, language — if other than German)

- **P (4)**

### Method of assessment
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

- project report (10 to 15 pages) and presentation of project (15 to 30 minutes)

Each project is offered one time only. The project will not be repeated; there will not be another project with the same topic. Assessment can, therefore, only be offered for the project offered in the respective semester.

Assessment offered: In the semester in which the course is offered

Language of assessment: German and/or English
