### Contents

**Description:**

This course provides students with the necessary background knowledge and an overall understanding of culture and prepares them for the course “Wenn Kulturen aufeinander treffen - Führen zwischen den Kulturen” (“When Cultures Collide -- Leading Across Cultures”). The series of courses is taught on the basis of the context of daily international business and is filled with many international business scenarios, simulations and case studies.

**Outline of syllabus:**

1. Culture and its origins - the roots and routes of culture
2. How culture is influenced by climate and religion
3. Cultural black holes
4. Culture and globalisation
5. Life after September 11th
6. The categorisation of cultures

**Intended learning outcomes**

Students have gained a deeper understanding and background of what culture is and where culture comes from. They have learned about their culture in order to gain insight into their own individual cultural make-up.
