Seminar: Investment and Finance

Module coordinator
holder of the Chair of Business Management, Banking and Finance

Module offered by
Faculty of Business Management and Economics

ECTS
5

Method of grading
numerical grade

Duration
1 semester

Module level
undergraduate

Contents
This seminar deals with current topics of investments and finance. Students will be required to independently analyse a selected topic and to write a term paper. This term paper may be largely literature based or empirical or may be based on independent work with formal models. In addition, students will be required to deliver a talk on the topic.

Intended learning outcomes
After completing the seminar "Investments and Finance", the students acquired detailed knowledge of important fields of investments and finance. They are also able to process their research findings in a written assignment and to present their findings.

Courses
(no information on SWS (weekly contact hours) and course language available)

Method of assessment
term paper (approx. 20 pages) and presentation (approx. 20 minutes), weighted 2:1

Allocation of places
--
