<p>The module discusses tax aspects (legal facts as well as economic effects) of cross-border business activities. Students become familiar with the principles of international taxation, relevant aspects of German income tax law, the function of double taxation treaties as well as recent developments of taxation within the European Union (mostly triggered by the Court of Justice of the European Union). The topics are introduced in the form of lectures. Complex case studies are used for an in-depth discussion of selected aspects.</p>		
Intended learning outcomes		
<p>After completion of the module students are able</p> <ul style="list-style-type: none"> (i) to assess tax issues of cross-border business activities and develop structured solutions; (ii) to assess the economic effects of rules of international tax law on its own; (iii) systematically apply double tax treaties. <p>The students have knowledge of the basics of international taxation and the German international tax law. They are able to judge and to analyze, using the relevant sources of law complex, case studies on the taxation of cross-border business activities independently and to develop design proposals for the solution.</p>
