ster	graduate			
	e coord of the o Metho nume	e coordinator of the Chair of Information Method of grading numerical grade Module level	ation systems research coordinator of the Chair of Information Systems Engineering Method of grading numerical grade n Module level Other prerequisite	

#### **Contents**

The course provides an overview of theoretical scientific foundations, theories, research topics and methodologies in international information systems research.

#### Intended learning outcomes

The module provides students with knowledge of:

- (i) Exploration of classical themes of WI / IS research;
- (ii) Getting to know the relevant paradigms, theories and methods;
- (iii) Recognition of the interfaces to other areas of business administration and management practice;
- (iv) Gain experience in finding and evaluating academic literature

**Courses** (type, number of weekly contact hours, language — if other than German)

 $V(2) + \ddot{U}(2)$ 

**Method of assessment** (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

- a) Written examination (approx. 60 minutes) or
- b) oral examination (one candidate each: approx. 15 to 20 minutes, groups of 2: approx. 20 minutes, groups of 3: approx. 30 minutes)

Language of assessment: German and/or English

creditable for bonus

#### Allocation of places

40 places.

Should the number of applications exceed the number of available places, places will be allocated as follows:

- (1) Master's students of Information Systems will be given preferential consideration.
- (2) The remaining places will be allocated to students of other subjects.
- (3) When places are allocated in accordance with (1) and (2) and the number of applications exceeds the number of available places, places will be allocated by lot among applicants from this group.

### **Additional information**

--

#### Workload

150 h

#### **Teaching cycle**

Teaching cycle: each semester

**Referred to in LPO I** (examination regulations for teaching-degree programmes)
