graduate

Contents

With the help of topics from the area of "Operations Management", this course will provide students with knowledge and skills that will enable them to prepare a well-structured term paper and to present the key results of their work.

Intended learning outcomes

Students will learn how to convince a critical audience by giving a presentation regarding a topic from the area of Operations Management. By developing and giving a presentation as well as by answering questions the students will practice their skills to deal with difficult communication situations and to argument for and against a certain topic.
