10	numerical grade	--
Duration	Module level	Other prerequisites
1 semester	graduate	--
Contents		
<p>Students will acquire an in-depth insight into the practical side of economics journalism. They must complete their placements at company or other institution at which they will have an opportunity to gain an in-depth knowledge of economics journalism. Students will be required to prepare a practical report on the placement module as well as to submit proof of regular attendance and participation. In addition, a certificate issued by the placement company is to be submitted.</p>		
Intended learning outcomes		
<p>The module strengthens practical competences and encourages work experiences. So it prepares for the career start in economics journalism.</p>		
Courses (type, number of weekly contact hours, language – if other than German)
