Duration	Module level	Other prerequisites
1 semester	graduate	--
Contents		
<p>In this lecture, we invite board members of publicly listed companies, SMEs and Startups to discuss contemporary challenges of corporate management.</p> <p>Students gain sustainable insights into current management practices, challenges of corporate management in various industries, and discuss pressing managerial issues with C-level executives. In individual and group assignments, students are required to connect management theories with the managerial challenges of the speakers.</p> <p>Managers of the different companies are required to address the following questions that will foster a detailed discussion at the end of each lecture:</p> <ul style="list-style-type: none"> • What are the current challenges facing your company? • Which strategies do you employ to respond to these challenges? • How have leadership concepts and approaches changed in your company? 		
Intended learning outcomes		
<p>After participating in this module, students should be able to combine theoretical approaches with current challenges in management. The students obtain a realistic insight into a cross-section of the German economy. Through discussions reports and group presentations students' social skills are trained in addition to professional skills.</p>
