<b>Contents</b>		
<p>Business today is volatile, uncertain, complex and ambiguous meaning leaders must face new challenges daily. To steer a business and its people through such an environment, strong and effective leadership is essential. This requires leaders to have a solid knowledge base and understanding of their role, responsibility and how to succeed.</p> <p>This course introduces leadership theory and practice and explores the proven model of Transformational Leadership. It also dives deeper to examine Transformational Leadership in the digital age and key aspects of communication to inspire, guide, and create trustful relationships.</p>		
<b>Intended learning outcomes</b>		
<p>Participants of this course will be able to ...</p> <p>... understand why good leadership can make such a difference in today's disruptive business world.</p> <p>... learn from the evolution of leadership theories and principles.</p> <p>... build a solid foundational knowledge of how to create an environment in which others can succeed.</p> <p>... reflect upon their own behaviour with regards to the principles of Transformational Leadership.</p> <p>... adapt the key elements of Transformational Leadership to lead in different business situations.</p> <p>... use communication tools to build relationships and influence positively.</p>
