**Module description**

**Module title**

Practical Training in Business Information Systems

**Abbreviation**

12-WI-Prak-072-m01

**Module coordinator**

holder of the Chair of Business Management and Business Information Systems

**Module offered by**

Faculty of Business Management and Economics

**ECTS**

10

**Method of grading**

Only after succ. compl. of module(s)

**Duration**

1 semester

**Module level**

graduate

**Other prerequisites**

By way of exception, additional prerequisites are listed in the section on assessments.

**Contents**

Content:

In small project teams of 4 to 10 members, students will spend several months actively working on a specific and realistic problem with practical relevance. They will progress through several project stages including as-is analysis, to-be conception and implementation of an IS solution. The project teams will be required to work independently and will only receive advice and minor support from research assistants.

Reading:

will vary according to topic

**Intended learning outcomes**

After completing the course "Projektseminar", students will be able to

1. analyze business tasks and requirements and generate fitting IS solutions;
2. apply project management methods;
3. internalize stress, time and conflict management by means of practical teamwork.

**Courses**

(type, number of weekly contact hours, language — if other than German)

This module has 2 components; information on courses listed separately for each component.

- 12-WI-Prak-1-072: P (no information on language and number of weekly contact hours available)
- 10-I-Prak-1-072: P (no information on language and number of weekly contact hours available)
