Contents		
<p>In this module, the students practice and apply the key steps of systemic planning of application procedures and entry into professional life. The core topics are: Potential analysis. Methods of searching for suitable jobs, analysis of job descriptions, application letter and curriculum vitae, personnel selection procedures, job fairs and career portals, job interview, rhetoric and presentation. The module especially focuses on planning the future after the Bachelor's degree programme (graduate studies, work placements, entry into professional life or alternatives).</p>		
Intended learning outcomes		
<p>The students are able to gain, evaluate and use information for the next steps of their career planning. They know different possibilities for improving their personal profile and for entering into professional life. They are familiar with job profiles and descriptions and are able to create comprehensive application documents for different recipients. Furthermore, they know the mechanisms of personal appearance during job interviews.</p>
