Contents		
In this module, students gain a basic knowledge of Palestinian Arabic that will allow them to orient themselves in basic situations in the target language. They develop language skills for both general and academic purposes.		
Intended learning outcomes		
Students will develop a basic general knowledge of Palestinian Arabic and become familiar with intercultural aspects as well as with the culture and society of the region in which the target language is spoken. When they read or listen to texts on topics they are familiar with, they will understand the main points. They will be able to talk and write about very general topics, using fundamental grammatical structures and a limited vocabulary. In addition, they recognise and understand differences between standard language and dialect. This module aims to enable students to reach level "B1 -- Vantage" of the Common European Framework of Reference for Languages.
