| <p>This module provides students with advanced knowledge of the foreign language. The course is divided into two parts, the first theoretical and the second practical. In the theoretical part, students work on selected texts from various scientific and cultural sources. The texts enrich both the vocabulary and the grammatical understanding of the students. In addition, the students' comprehension skills are developed and they are enabled to produce their own texts as well as to express themselves in a well-founded manner in conversations on a variety of topics. In the practical part, students work on various topics and publish them in the form of a podcast. The content is based on current topics and issues in the Arab world.</p> | | |
| Intended learning outcomes | | |
| <p>In this module, the student acquires in-depth knowledge of the Arabic language (MSA), taking into account intercultural and regional aspects. He/she will understand longer speeches and presentations as well as longer texts of intermediate difficulty with general and topic-related vocabulary and will be able to express him/herself in a well-founded and detailed manner, both orally and in writing, on a wide range of topics of personal interest. The aim of the module is to achieve level "B2 - Vantage" in the Common European Framework of Reference for Languages (CEFR).</p> | | |
