Contents

Building on the students' basic knowledge of written Arabic, this module teaches students how to independently read unvocalised Arabic texts of low to medium difficulty. Using selected texts, the course helps students expand their existing grammar skills, explains how to use dictionaries, and gives students an opportunity to practise using dictionaries.

Intended learning outcomes

Students have command of a basic vocabulary in Modern Standard Arabic (MSA). They are able to read and understand unvocalised Arabic texts as well as to use dictionaries to clarify meaning. This module aims to enable students to reach level "B1 -- Threshold" of the Common European Framework of Reference for Languages.
