Contents

Building on nominal previous knowledge, this module teaches students the basics of the target language which will allow them to orient themselves in basic situations in the target language.

Intended learning outcomes

Students will develop basic general language skills and become familiar with intercultural aspects. They will develop an elementary ability to communicate and exchange information in a very basic way. They will be able to communicate in simple, routine situations, exchanging information about familiar matters in a simple and direct manner. At the end of the module, students will have developed skills in the target language that are equivalent to level "A2 -- Waystage" of the Common European Framework of Reference for Languages.
