| <b>Contents</b>   |                   |   |
| This module equips students with fundamental knowledge about German cinema. It provides an overview of German films and discusses selected examples. Analysing each plot's background and comparing different films, it aims to provide a nuanced picture of Germany. A focus of this module will be on developing a critical understanding of film and its language. |                   |   |
| <b>Intended learning outcomes</b>   |                   |   |
| Students are able to grasp the contents of German-language films and to comment on these in an appropriate manner, both orally and in writing. They are able to present and discuss their theories and analyses in an appropriate manner.   |                   |   |
