Contents

In this module, students gain an intermediate knowledge of the target language. They develop language skills for both general and academic purposes.

Intended learning outcomes

Students will develop an intermediate general knowledge of the target language and become familiar with intercultural aspects as well as with the culture and society of countries in which the target language is spoken. They are able to communicate almost fluently and to talk and write about a broad range of topics. In addition, students are able to independently read and understand longer texts of high complexity as well as to write a range of formal and informal texts. At the end of the module, students will have developed skills in the target language that are equivalent to level "B2 -- Vantage" of the Common European Framework of Reference for Languages.

Courses

(Other information)

Ü (4)

Method of assessment

(a) written examination (approx. 90 minutes) or (b) written examination (approx. 60 to 90 minutes) and oral assessment (5 to 10 minutes, e.g. contribution to the discussion, group presentation); weighted 3:1 or (c) 2 to 5 assessments (5 to 7 pages, 10 minutes)

Assessments may take a written or an oral form or a combination of these two forms. The number and type of assessments will be specified by the lecturer at the beginning of the course. Examples of oral forms of assessment include but are not limited to short presentations, presentations and contributions to the discussion. Examples of written forms of assessment include but are not limited to text production as well as listening and reading exercises. The total scope/length of oral and/or written assessments will be announced in class.
