<b>Contents</b>		
<p>This online course equips students with an intermediate knowledge of the target language that will allow them to apply for jobs, trainee positions, or work placements in countries where the target language is spoken. Students develop skills in the target language that will allow them to attend university and get by in everyday life in countries where the language is spoken.</p>		
<b>Intended learning outcomes</b>		
<p>This module equips students with language skills that will allow them to attend university or prepare for working in countries where the target language is spoken. Having expanded their basic vocabulary, students possess the language skills required for living abroad and applying for jobs, trainee positions, or work placements abroad. In addition, they are able to continue learning on their own initiative and reach the level of language proficiency that is required for study in countries where the target language is spoken. At the end of the module, students will have developed skills in the target language that are equivalent to level "B2 -- Vantage" of the Common European Framework of Reference for Languages.</p>
