Contents		
<p>In this module students will improve their English skills by using the language in classwork - pair work, group work, project work. This deepening of knowledge (English language and business content) will enable participants to communicate in situations both orally and in writing in a manner fitting to the circumstance that they are confronted with in a business environment. This module will practice skills such as presenting new ideas, negotiating and writing emails and reports. Discussion of current events and topics relating to the class materials will round out the weekly classes.</p>		
Intended learning outcomes		
<p>The student achieves a sound (written and oral) communication ability in the specialist language. He/she has in-depth subject-related linguistic knowledge and skills that enable him/her to communicate on selected topics in appropriate communication situations through the variable use of linguistic means. He/she has mastered the linguistic vocabulary and structures required in the field of business. The module is aimed at achieving the level "C1 - Effective Operational Proficiency" of the Common European Framework of Reference for Languages of the Council of Europe.</p>
