Contents		
In this module, students gain an intermediate knowledge of the target language. The course focuses on developing students' listening comprehension and oral communication skills while giving them an opportunity to systematically practise their communication skills and equipping them with country-specific intercultural skills.		
Intended learning outcomes		
This module will equip students with an intermediate general knowledge of the target language and will focus on developing listening comprehension as well as oral communication skills. The targeted skills training will enhance the spoken and written language skills of students to prepare them for the lowest level of mobility (<i>unterste Mobilitätsstufe</i>) as recommended by the Council of Europe. At the end of the module, students will have developed skills in the target language that are equivalent to level "B2 -- Vantage" of the Common European Framework of Reference for Languages.
