Contents		
<p>This module equips students with an advanced knowledge of the target language that will allow them to communicate appropriately, in both written and oral form, at university and in the workplace. The course focuses on equipping students with intercultural skills as well as knowledge about the culture and society of countries where the target language is spoken while giving them an opportunity to systematically practise their communication skills.</p>		
Intended learning outcomes		
<p>Students develop advanced language and intercultural skills as well as a thorough familiarity with the culture and society of countries where the target language is spoken. They are thus able to communicate, both verbally and in writing, in a broad range of situations, taking intercultural aspects into account. They are able to effectively and flexibly use the target language, both during study abroad periods and in the workplace. This module aims to enable students to reach level "C1 -- Effective Operational Proficiency" of the Common European Framework of Reference for Languages.</p>
