<b>Contents</b>		
<p>This module equips students with an advanced knowledge of the target language that will allow them to communicate appropriately, in both written and oral form, at university and in the workplace. The course focuses on equipping students with subject-specific language skills for use in the workplace while giving them an opportunity to systematically practise their communication skills and equipping them with country-specific intercultural skills.</p>		
<b>Intended learning outcomes</b>		
<p>Students develop sound (written and oral) communication skills in the target language and become familiar with intercultural aspects as well as with the culture and society of countries in which the target language is spoken. They develop advanced subject-specific language skills that will allow them to communicate about selected topics in corresponding situations, using language flexibly. They are able to effectively and flexibly use the target language, both during study abroad periods and in the workplace. This module aims to enable students to reach level "C1 -- Effective Operational Proficiency" of the Common European Framework of Reference for Languages.</p>
