Contents
In this module, students gain a skill-based and advanced basic knowledge of the target language which will allow them to orient themselves in the target language in standard situations during study abroad periods or in the workplace.

Intended learning outcomes
This module will equip students with an advanced basic general knowledge of the target language and will focus on developing reading and listening comprehension as well as written and oral communication skills. The targeted skills training builds on level "B1 -- Threshold" and aims to enable students to reach level "B2 -- Vantage" of the Common European Framework of Reference for Languages. Students will systematically enhance their spoken and written language skills to prepare for the lowest level of mobility (unterste Mobilitätsstufe) as recommended by the Council of Europe.
