Contents		
<p>In this module, students gain an intermediate knowledge of the target language. The course focuses on familiarising students with grammatical structures while giving them an opportunity to systematically practise their communication skills and equipping them with country-specific intercultural skills.</p>		
Intended learning outcomes		
<p>Students develop an intermediate general knowledge of the target language and become familiar with grammatical structures and phrases of intermediate complexity. They are able to communicate almost fluently and to talk and write about a broad range of topics. In addition, students are able to independently read and understand longer texts of high complexity as well as to write a range of formal and informal texts. At the end of the module, students will have developed skills in the target language that are equivalent to level "B2 -- Vantage" of the Common European Framework of Reference for Languages.</p>
