Contents		
<p>This module equips students with an advanced knowledge of the target language that will allow them to communicate appropriately, in both written and oral form, at university and in the workplace. The course focuses on equipping students with knowledge about the culture and society of the country where the target language is spoken while giving them an opportunity to systematically practise their communication skills and equipping them with country-specific intercultural skills.</p>		
Intended learning outcomes		
<p>Students develop advanced language skills and a thorough familiarity with the culture and society of the country where the target language is spoken. They are thus able to communicate, both verbally and in writing, in a variety of situations, taking into account aspects related to the culture and society of said country. They are able to effectively and flexibly use the target language, both during study abroad periods and in the workplace. This module aims to enable students to reach level "C1 -- Effective Operational Proficiency" of the Common European Framework of Reference for Languages.</p>
