<b>Contents</b>		
In this module, students gain an advanced basic knowledge of the target language which will allow them to orient themselves in the target language in standard situations during study abroad periods or in the workplace.		
<b>Intended learning outcomes</b>		
Students will develop an advanced basic general knowledge of the target language and become familiar with intercultural aspects as well as with the culture and society of countries in which the target language is spoken. They will understand longer speeches and presentations as well as longer texts of medium difficulty that use general and subject-specific vocabulary. They will be able to express themselves, both orally and in writing, in a structured and detailed manner about a number of topics of personal interest. This module builds on level "B1 -- Threshold" and aims to enable students to reach level "B2 -- Vantage" of the Common European Framework of Reference for Languages.
