<b>Contents</b>		
This module equips students with academic skills in the target language in order to prepare them for study abroad. The module aims to maximise students' opportunities to succeed at university in their host countries.		
<b>Intended learning outcomes</b>		
Students are systematically trained in academic skills in the target language and will gain the ability to attend university in a country where the target language is spoken. They are able to understand and produce academic texts in in the target language. In addition, they can demonstrate the level of oral language proficiency that is required for study in their host countries. This module supports level "B2 - Vantage" of the Common European Framework of Reference for Languages and aims to enable students to reach the independent user level. In addition to preparing students for the lowest level of mobility ( <i>unterste Mobilitätsstufe</i> ) as recommended by the Council of Europe, the module aims to maximise students' opportunities to succeed at university in their host countries.
