<b>Contents</b>		
This module equips students (without any previous knowledge of the target language) with basic skills in the target language which will allow them to orient themselves in basic situations in the target language.		
<b>Intended learning outcomes</b>		
Students will develop basic general language skills and become familiar with intercultural aspects. When they read or listen to texts on topics they are familiar with, they will understand the main points. They will be able to talk and write about general topics, using fundamental grammatical structures and an appropriate yet limited vocabulary. At the end of the module, students will have developed skills in the target language that are equivalent to level "B1 -- Threshold" of the Common European Framework of Reference for Languages.
