**Contents**

In this module, students (without any previous knowledge of the target language) gain a basic knowledge of the target language. They develop language skills for both general and academic purposes.

**Intended learning outcomes**

Students will develop basic general language skills and become familiar with intercultural aspects. They will develop an elementary ability to communicate and exchange information in a very basic way. When they read or listen to texts, they will understand familiar, everyday expressions and very simple sentences. Students will be able to speak and write in the target language, using simple phrases. At the end of the module, students will have developed skills in the target language that are equivalent to level "A1 -- Breakthrough" of the Common European Framework of Reference for Languages.
