Contents		
In this module, students gain a basic knowledge of the target language. They develop language skills for both general and academic purposes.		
Intended learning outcomes		
Students will develop a basic general knowledge of the target language and become familiar with intercultural aspects as well as with the culture and society of countries in which the target language is spoken. When they read or listen to texts on topics they are familiar with, they will understand the main points. They will be able to talk and write about general topics, using fundamental grammatical structures and an appropriate yet limited vocabulary. At the end of the module, students will have developed skills in the target language that are equivalent to level "B1 -- Threshold" of the Common European Framework of Reference for Languages.
