Contents			
In this module, students are taught advanced knowledge of the foreign language. Combined with the targeted training of communicative competencies and intercultural competence oriented towards the target language country, the focus is on the specific training of academic skills.			
Intended learning outcomes			
Students receive targeted academic skills training. This training is designed to enable them to study at a university in the target language country. Students will be able to understand and write academic texts in the foreign language. They will also possess the appropriate oral skills to meet the linguistic requirements of universities in the target language country in a manner appropriate to the situation. Upon completion of this module, he/she will have acquired competences in the foreign language oriented towards the "B2 - Vantage" level of the Council of Europe's Common European Framework of Reference for Languages.
