| head of Centre for Media Didactics (ZfM)  |                              | Centre for Media Didactics (ZfM)            |
| <b>ECTS</b>   | <b>Method of grading</b>     | <b>Only after succ. compl. of module(s)</b> |
| 4   | (not) successfully completed | --  |
| <b>Duration</b>   | <b>Module level</b>          | <b>Other prerequisites</b>                  |
| 1 semester  | undergraduate                | --  |
| <b>Contents</b>   |                              |   |
| Practical introduction to working with multimedia authoring systems.  |                              |   |
| <b>Intended learning outcomes</b>   |                              |   |
| The students have advanced theoretical and practical knowledge of conceptualising, creating and using multimedia software applications with the help of electronic authoring systems.   |                              |   |
| <b>Courses</b> (type, number of weekly contact hours, language — if other than German)  |                              |   |
| S (no information on SWS (weekly contact hours) and course language available)  |                              |   |
| <b>Method of assessment</b> (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)  |                              |   |
| project with presentation (30 to 40 minutes)  |                              |   |
| <b>Allocation of places</b>   |                              |   |
| Number of places: 8. Students applying after not having successfully completed assessment in the past two semesters will be given preferential consideration. The remaining places will be allocated by lot. A waiting list will be maintained and places re-allocated by lot as they become available. |                              |   |
