3	(not) successfully completed	--
Duration	Module level	Other prerequisites
2 semester	undergraduate	--
Contents		
Information about the structure of the vocational education system. Insight into the vocational education in the dual system (Areas of studies: metal, electricity, media, gastronomy).		
Intended learning outcomes		
Students have an overview of the vocational education system as well as having gained knowledge about different qualified jobs. Sitting in on classes, they have gained insights into the didactic and methodical work at vocational colleges. Additionally, they have a special overview of the assistance offers available for adolescents without an apprentice position and insights into practice related, didactic, and methodic work with adolescents without an apprentice position.		
Courses (type, number of weekly contact hours, language – if other than German)		
P (no information on SWS (weekly contact hours) and course language available)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
report on practical experiences (approx. 10 pages) Assessment offered: once a year, winter semester		
Allocation of places		
Number of places: 15. Should the number of applications exceed the number of available places, places will be allocated as follows: Option 1: Places will be allocated by lot. A waiting list will be maintained and places re-allocated as they become available. Option 2: Places will be allocated according to the number of subject semesters. A waiting list will be maintained and places re-allocated as they become available.
