Contents		
<p>The modul functions as the preparation for the subsequent excursion to schools in different European countries. The course includes facts about the history, culture, society, and other aspects of the target culture. Furthermore, students will acquire knowledge about the structure of teacher training, schools and higher education systems of the respective country in order to compare them to the German educational system. Additionally, students are prepared in an intercultural way for the respective country. This will form the basis for the mutual exchange</p>		
Intended learning outcomes		
<p>Students are able to reflect upon and discuss about similarities and differences of international educational systems in comparison with the German educational system. They can discuss different aspects of educational systems in respect to migration and intercultural learning. They recognize and can assess historic, social, cultural and political effects on educational systems.</p>
