Contents		
<p>With the help of dealing with different approaches, the module wants to raise awareness for the topic of discrimination and to balance out a social imbalance caused by bias and prejudice. The dealt with approaches are opposed to any kind of discrimination and oppression. In doing so, individual biases, positioning of power and experiences of discrimination are addressed in relevance to social inequality.</p>		
Intended learning outcomes		
<p>The students are aware of social and individual forms of discrimination by dealing with different approaches to gender and discrimination issues and are able to face such problem areas in a solution-oriented way. Within specific fields of application such as schools and education, students are able to apply practical measures purposefully.</p>
