Contents		
<p>This module deals with the challenges of the pedagogical work in schools and educational institutions for adolescents against the background of different cultures and cultural standards. Particular emphasis is placed on the diversity of values and life styles, different world views and orientation patterns as well as different ways of thinking and living of adolescents. At the same time, the thematic emphases are dealt with under an intercultural point of view.</p>		
Intended learning outcomes		
<p>Students have knowledge about different facets and subject areas of intercultural (adolescent) work. In dealing with the diversity of cultures and cultural interpretive patterns they command over basic intercultural key competencies. With the help of practical exercises students can transfer their knowledge to situations of their own pedagogical actions.</p>
