Contents		
Reflection upon their own role as a teacher trainee and future teacher; Self- and time-management; Image of the self and the other; goal-oriented use of media; theme-centered use of teaching methods.		
Intended learning outcomes		
Students are able to reflect about their own role and to constructively include difference between their image of themselves and the image of the other. They command over a basic know-how and repertoire of methods. In the interplay of their role, the image of themselves and of the other as well as an appropriate repertoire of media and methods, students are able to didactically process acquired contents of their discipline while taking into consideration the addressee
