<b>Contents</b>		
Basics of communication at school / educational work; task specification of a teacher; introduction to various (interactive) media and medial methods; their use and purposeful usage in the classroom; production of learning objects for the classroom.		
<b>Intended learning outcomes</b>		
The students know a broad variety of media and medial methods and are able to use them in the classroom purposefully. Through the use of interactive media they can lead the students to self-organized and independent learning and working. They can prepare their lessons effectively and support them with objects for learning in an optimal way.
